Re: WC Docket No. 10-90  
Annual Certification Filing 2012-2013

The attached cover letter is a revision of our earlier letter dated June 18, 2012 which accompanied our WC Docket No. 10-90 certification filing. This letter references "Annual Certification Year 2012-2013". Our June 18 letter referenced "Annual Certification Year 2012".

Please include this letter as part of our WC Docket No. 10-90 certification filing. We have also resubmitted this revision to USAC upon their request.

Thank you so much.

Sincerely,

A handwritten signature in blue ink, appearing to read "JES", followed by a long horizontal flourish.

James E. Sherburne  
Chief Executive Officer

**Annual Reporting Requirements pursuant to § 54.313(a)(2)-(6)****WC Docket No. 10-90****§ 54.313(a)(2) – Outage reporting**

  X   My company was not required to collect this information in 2011.

       My company collected this information pursuant to state utility commission requirement.  
A copy of the report is attached.

**§ 54.313(a)(3) – Unfulfilled service requests**

  X   My company was not required to collect this information in 2011.

       My company collected this information pursuant to state utility commission requirement.  
A copy of the report is attached.

**§ 54.313(a)(4) – Customer complaints per 1000 connections**

  X   My company was not required to collect this information in 2011.

       My company collected this information pursuant to state utility commission requirement.  
A copy of the report is attached.

**§ 54.313(a)(5) – Service quality standards and consumer protection rules**

I certify that the reporting carrier is in compliance with applicable service quality standards and consumer protection rules.

**§ 54.313(a)(6) – Ability to function in emergency situations**

I certify that the reporting carrier can function in emergency situations as set forth in 47 CFR §54.202(a)(2). Specifically, the reporting carrier has a reasonable amount of back-up power to ensure functionality without an external power source, is able to reroute traffic around damaged facilities, and is capable of managing traffic spikes resulting from emergency situations.

I am authorized to make this certification on behalf of the company named above and, to the best of my knowledge the information reported on this form is accurate. This certification is for the study area(s) listed below. **(Please enter your Company Name, State and Study Area Code)**
